Oo-bop-a-loo-cha-bah, you're mine
Say, Woo-bop-a-loo-cha-bah, you're mine

Hey schoolgirl in the second row
The teacher's lookin' over so I gotta whisper way down
low
You say, woo-bop-a-loo-cha-bah, let's meet
After school at three

She said, Hey, baby, there's a-one thing more
School is over at half past four
Maybe when we're older, then we can date
Ooo, let's wait

Hey schoolgirl in the second row
The teacher's lookin' over so I gotta whisper way down
low
You say, woo-bop-a-loo-cha-bah, let's meet
After school at three

She said, Hey, baby, I gotta lot to do
It takes me hours then my homework's through
Someday we'll go steady so don't you fret
Ooo, not yet

Hey schoolgirl in the second row
The teacher's lookin' over so I gotta whisper way down
low
You said, woo-bop-a-loo-cha-bah, let's meet
After school at three

Then she turned around to me with that gleam in her
eye
She said I'm sorry if I passed you by
I'm gonna skip my homework, gonna cut my class
Bug outta here real fast

Hey school girl in the second row
Now we're goin' steady, hear the words I want you to
know
Well it's oo-bop-a-loo-cha-ba, you're mine
I knew it all the time

Woo-bop-a-loo-cha-bah, a-ha you're mine
Woo-bop-a-loo-cha-bah, a-ha you're mine
(Repeat and fade)
