Oeh, I just wanna see you
See you
Oeh, I just wanna see you today

Oeh, I just wanna hold you with me
Hold you with me
Oeh, I wanna hold you with me tonight

Last night you fucked a guy
You denied everything and said to me you
Went to the supermarket
And the day after you were fucking with another guy

Oeh, I just wanna hug you
Hug you
Oeh, I just wanna hug you every day

Oeh, I just wanna kiss you
Kiss you
Oeh, I wanna kiss you every night

I gave you a second chance
And I trusted you, I believed in you
But you went to that guy again
I was mad, kicked you out and was thinking of revenge

Oeh, I wanna fuck you
Fuck you
Oeh, I wanna fuck you till you never move again

Oeh, I wanna rape you
Rape you
Oeh, I wanna rape you till you're dead

(solo)

Oeh, I wanna see you, hold you
Hug you, kiss you
Oeh, I wanna fuck you and rape you!!!
