End of schoolyear 2003-2004

The school year is over  
The vacation begins  
Iâ'm really gonna miss my friends  
Especially those of my class

Nielsen is always happy  
There was no moment that he was sad  
And he is very funny  
Heâ's one of my best friends that I had

Elien was always there for me  
When I needed somebody to talk to  
She always understood me  
And gave me advice

Sally is very crazy  
She created the mister sexy in me  
My hart belongs to her  
And I am never gonna forget yoooooooooooooooooooo

The school year is over  
The vacation begins  
Iâ'm really gonna miss my friends  
Especially those of my class
