Living with you

Chorus:

Life is beautiful

Beautiful is life

I wanna share it with someone specialÂ...

The way you walk

The way you talk

I canÂ't explain how much I love you

With only you

I wanna live

Oh itÂ's nice living with youÂ...

Chorus:

When I look in you eyes

I donÂ't now what to do

Then I completely freeze

And then I think:

What a beautiful woman is that

Oh itÂ's nice living with youÂ...

Chorus: (4x)
