Already woke, spare the joke, barely spoke, rarely
smoke Stared at folks when properly provoked, mirror
broke Here, share strawberry morinin, Gone and more
important spawnin' Torn in, poor men sworn in Cornish
hens switchin positions, auditionin' mortitions Saw it in
a vision, ignorin prison Ignoramuses enlist and sound
dumb Found em drowned in cows dung, crowns flung
Rings a tinkerbell, sing for things that's frail as a
fingernail Bring a scale, stale ginger lingers Seven
figures invigor Nigga, fresh from out the jail, alpha
male Sickest ninja injury this century, enter plea Lend
sympathy to limper simple simon rhymin emcees Trees
is free, please leave a key These meager fleas, he's
the breeze And she's the bees knees for sheez G's of
Gs seize property, shopping sprees chop the cheese
drop degrees to stop diseases gee wiz pa! DOOM rock
grammer like the Kumbaya Mama was a ho hoppa,
papa was a rollingstone Star like Obama, pull a card
like oh drama! Civil liberties These little titties abilities
riddle me, middle C Give a MC a rectal hysterectomy
lecture on removal of the bowels, foul technically Don't
expect to see the recipe Until we receive the check as
well as the collection fee More wreck than section Z
What you expect to get for free? Shit from me, history
The key, plucked it off mayor Chucked it in the ol tar pit
off La Brea, playa They say he's gone too far DOOM'll
catch em after Jumar on cue lacka!! Do what'cha gotta
do, grarrrr the rumors are not true, gotchu (got you)
ma No prob, got the job, hot barred heart throb Scotch
Guard the bar the with cotton swabs, dart lob Bake a
cake, sweet Jamaica trade in treats on the beach make
her skeet til her feets meet Can it be I stayed away too
long? Did you miss these rhymes when I was gone? As
you listen to these crazy tracks Check them stats then
you know where I'm at And that's that
