Cause I bought a brand new jumper,
And I hoped you won't be ritzing me.
You smile and say you like it,
But girl you're not convincing me
Cause I like your honesty.
You don't like the colour of my bonnet.
Love you told me
My wallpaper makes you want to vomit,
Girl change the channel nothings on it.
That's alright with me.
She's as honest as can be.
That's why I'm convinced that she says she loves me.

And half an hour in the mirror
To show that I care,
Looks at me laughs,
What have you done with your hair.
She won't compare with anyone I've met so far.
Never met someone so sharp,
Yet so blunt.
She's as honest as can be.
That's why I'm convinced that she says she loves me.

Cause she's as honest as can be.
That's why I'm convinced that she says she loves me.
