Words come easy with you.
To keep them coming
There's nothing I won't do.
And love comes easy with you
Cause you've got a face that makes my heart race.

And I'll be there, my girl,
Til the sun doesn't rise.
And I'll be there my girl
When there's tears in your eyes.
And I'll be there my girl
To hold you when you're feeling down.
Cause when know one seems to care,
And life ain't being too fair,
I'll be there.
Cause when the feeling can't compare,
And life ain't being too fair,
I'll be there.

And I'll be there that's all I phoned to say
Whether you broke down mentally
Or you were on the motorway.
So when you've given up, there's nothing left to do -
My damsel in distress, I'll do my best to rescue you.

And I'll be there, my girl,
When the sun doesn't rise.
And I'll be there, my girl,
When there's tears in your eyes.
And I'll be there, my girl,
When you're feeling down.

Cause when know one seems to care
And life ain't being too fair
I'll be there.
Cause when the feeling can't compare
And no one seems to care,
I'll be there.
Cause when the feeling can't compare
And life ain't being too fair,
I'll be there.
