"In My Arms"

I won't forget the first time
I saw you looking at me.
I had to hold you then and there.
Well, how could this be?

Cause your curves were oh so fine,
You just had to be mine.
And I will hold you in my arms
Til the end of time.
And I will work it out in my mind
How I got by without you in my life.

I feel so lucky to have you in my arms.
Damn, I feel so lucky to have you in arms.
And I feel so lucky to have you in my arms.
Damn, I feel so lucky to have you in my arms.

I can't believe I got you home
Now we can be all alone.
Time with you is like no other -
I'm ignoring my phone.
Cause I feel like a king
Touching your G-string.
If you could walk away, and you did,
It would do me in.

And I, I will work it out in my mind
How I got by without you in my life.

I feel so lucky to have you in my arms.
Damn, I feel so lucky to have you in arms.
And I feel so lucky to have you in my arms.
Damn, I feel so lucky to have you in my arms.
