There are many places I haven't been,
Seen them all on screen.
And there are many faces I need to meet,
time to use my feet.
I guess that I can't seem to free my mind.
I can't seem to make the most of my time.
I guess I'm stuck here, until my luck clears.
Blue skies painted in my eyes.

You don't have to stay goodbye.
Cause you won't look me in the eye.

Cause I will find an answer
I will take my chance to.
Fly away.
Yeah, I'll fly away.
Just one of these days.

And I need to take my chances.
There's always time for the second glances.
I can't miss my only chance to be free.
Feet in white sands, sunsets on the sea.
And many years from now,
I'll pack it up and then I'll quit my whining.
And many years from now,
I'll want to look back smiling.

Cause you don't have to say goodbye.
Cause you won't look me in the eye.

And I will find an answer.
And I will take my chance take to.
Fly away.
Yeah, I'll fly away.
Just one of these days.
I will find and answer.
I will take my chance to.
Fly away.
Yeah, I'll fly away.
Just one of these days.
