And I wish I knew everything there is to know about you.
And I want you to see just exactly what you mean to me.
And you - you think you know me.
I guarantee there's a lot more to see.
And you - you don't believe it's true -
That if I'm dreaming, I'm dreaming of you.

And I wish that I could hold your hand,
Feet beneath the sand.
And I wish that I could drive you in my car
To kiss you under stars.

And I want you to be, everything that you deserve to be.
And if I close my eyes, then I can see you perfectly.
And I - I don't know where to go.
I wrote a song just to let you know
That we - we could be together.
I'll hold you forever.

And I wish that I could hold your hand,
Feet beneath the sand.
I wish that I could drive you in my car
To kiss you under stars.

And I wish that I could hold your hand,
Feet beneath the sand.
And I wish that I could feel your touch,
I think about you so much.
