40 years we labor on this chain
Workin' much too hard for what we gain
You & I, we taste the bitter end
Workin' 40 years for another man

Got no name, just a number in the book
Friendly faces hide the royal look
Nothin' down on you, it's such a shame
Workin' 40 years for another man

Bridge:
40 years, 40 long long years
Give the man your blood & sweat & tears

Cash your check on Friday afternoon
Sunday night your money's gone too soon
For your children will it be the same?
Workin' 40 years for another man

(instrumental)
(repeat bridge, verse 3)

(repeat & fade):
Workin' 40 years for another man
