Goin' downtown to see my sister today  
Goin' downtown to see my sister, oh Mae  
Well I'm goin' downtown, yes I'm goin' downtown  
Well I'm goin' downtown to see my sister today

CHORUS:

Hold on, Annie Mae, hold on, Annie Mae  
Hold on, Annie Mae, hold on, Annie Mae  
Hold on, hold on, is this my Annie Mae?

Ain't nobody home to answer the door  
Maybe my Annie don't live here no more  
Well I must hang around, every night a-downtown  
Well I'm lookin' around to see my sister today

(chorus)

She didn't leave nothin', no trace a-behind  
She didn't leave numbers for me to be fine  
So I'm leavin' downtown, yes I'm leavin' downtown  
Well I'm leavin' downtown, I miss my sister today

(chorus x2)

(instrumental, same pattern as verses, fading out)
