Black Jack Jenny, you ain't no friend of mine

Black Jack Jenny, you ain't no friend of mine

Black Jack Jenny, I just can't get behind you

Workin' in the bars in Reno

Lost Babe's Flash Casino

Fast-hand dealin', money-fallin' feelin'

Gonna get the best of you

Black Jack Jenny, dyin' for a penny

So jive jive queenie, your cheatin' don't bother me

(instrumental)

Black Jack Jenny, you never give a 21

Black Jack Jenny, you never give a 21

Black Jack Jenny, your bad luck send me on the way

(instrumental, fading out)
