Money (Root The Root)

Let me tell you 'bout money
Let me tell you 'bout money
Gonna tell you 'bout money
Oh yeah, money, root the root

Some people go in satin & lace
Some people go for travels in space
Some people fly & worship the sun
Some people buy & sell it for fun

CHORUS:

Let me tell you 'bout money (oh yeah)
Got to tell you 'bout money (oh yeah)
Let me tell you 'bout money
Oh yeah, money, root the root

Some people love & never do live
Some people take & never do give
Some people laugh & never do cry
Some people drink & never get high

(chorus)
(instrumental)

Let me tell you 'bout money
Let me tell you 'bout money (oh yeah)
Gonna tell you 'bout money
Oh yeah, money, root the root

(chorus)
(instrumental, fading out)
