My pretty baby, you know she loves me all night long
My pretty baby, you know she loves me all night long
My pretty baby loves me all night long
Keeps my covers & my pillow warm
My pretty baby, you know she loves me all night long
(My pretty baby, my pretty baby)

My pretty mama, you know she treats me doggone fine
(My pretty mama, my pretty mama)
My pretty mama, you know she treats me doggone fine
(My pretty mama, my pretty mama)
My pretty mama treats me doggone fine
Fills me up & brings me summertime
My pretty mama, you know she treats me doggone fine
(My pretty mama, my pretty mama)
(Bom bom, bom bom, bom bom, bom bom)

(repeat verse 1)

My pretty baby, you know she loves me all night long
(My pretty baby, my pretty baby)
My pretty baby, you know she loves me all night long
(My pretty baby, my pretty baby)
My pretty baby, you know she loves me all night long
