Mystic Isle Avalon

Well I'm goin' to Avalon, goin' to Avalon, goin' to Avalon
Avalon, Avalon, Avalon, Avalon

Well there's golden magic mine, golden magic mine,
golden magic mine
In Avalon, Avalon, Avalon, Avalon

Come on, come along 'cross the sea to the mystic isle
of Avalon

Come on, come along 'cross the sea to the mystic isle
of Avalon

Well a leprechaun appear, leprechaun appear,
leprechaun appear
Along the way, 'long the way, 'long the way, show the
way
