Reggie

Reggie, he go down to the kicks &  
Reggie, he go down to the town  
Reggie, he go down to the kicks &  
Reggie, he go down to go down

Reggie, he ain't got any money  
Reggie, he ain't got any shoes  
Reggie, he ain't got any open  
Reggie, he got only the blues

(instrumental)

Reggie, he can write a good love song  
Who for he gonna make it?  
Reggie, he can try & take so long  
Who for he gonna make it?

Reggie, he go playin' the cards  
& money fallin' into his life  
Reggie sent it home to the children  
Reggie took good care of his wife

Reggie played his song to the people  
Reggie played his song to the band  
Reggie got acclaim to the people  
& spread it over the land

(repeat verse 1, its last line x3)
