"Straight And Narrow"

Visit "[Straight And Narrow](#)" on MotoLyrics.com

I'm gonna walk, I'm gonna talk
I'm gonna walk & talk the straight & narrow
I'm gonna walk, talk, straight, narrow, baby one more
time

I'm gonna fuss, I'm gonna fight
I'm gonna fuss & fight, fuss all night
I'm gonna fuss & fight for freedom, baby one more
time

Do you believe, do you believe
Do you believe in love, in rock 'n' roll music?
Do you believe in love & magic? Baby one more time

(instrumental)
(repeat verse 3)
(instrumental, fading out)
