Sweet Things To Come

I want those sweet, sweet things to come
I want those sweet, sweet things to come
'Cause I'm ready, yes I'm ready, well I'm ready
For your love, love

I want those sweet, sweet bells to ring
I want those sweet, sweet bells to ring
'Cause I'm ready, yes I'm ready, well I'm ready
For your love

(instrumental)

I'll give you all, all I can give
I'll give you all, all I can give
'Cause I'm ready, yes I'm ready, well I'm ready
For your love, love
