Used to be my life was filled with rainbows  
Then you walked away & the world came down on me  
Something inside of me tells me you want to be free  
Till I can't help but feel the...

CHORUS:

Teardrops, teardrops fallin' from my eyes  
Teardrops, teardrops, no more to disguise  
Teardrops, teardrops fallin' from my eyes  
Over you, over you

Used to be my life was filled with daydreams  
Then you turned away & shattered every little dream I  
had  
If you used to be so nice, now your love is colder than  
ice  
& I never had a clue 'bout...

(chorus)

(instrumental)

Someday I hope that soon  
I'm gonna live by the light of the moon  
I'll no longer be the one with...

(chorus, with "over you" x8)
