(instrumental, fading in)

I don't want to be a rock 'n' roll star  
I don't want to ride a Cadillac car  
I don't want to be what you are  
I just want to be me, me, me

I don't want to buy a left-hand Ford  
I don't want to be, no no, nobody's toy  
'Cause I can't have no cries, no cries without joys  
I just want to be me, me, me

I don't want to be a teen stone  
I just want to sing a rock 'n' roll song  
So if you'll let me go, it won't take long  
'Cause I just want to be me, me, me  
Yes, I just want to be me, me, me

(instrumental, fading out)
