When the world ends
Collect your things
You're coming with me
When the world ends
You tuckle up yourself with me
Watch it as the stars disappear to nothing
The day the world is over
We'll be lying in bed

I'm gonna rock you like a baby when the cities fall
We will rise as the building's crumble
Float there and watch it all
Amidst the burning, we'll be churning
You know, love will be our wings
The passion rises up from the ashes
When the world ends

When the world ends
You're gonna come with me
We're going to be crazy
Like a river bends
We're going to float
Through the criss cross of the mountains
Watch them fade to nothing
When the world ends
You know that's what's happening now
I'm going to be there with you somehow, oh...

I'm going to tie you up like a baby in a carriage car
Your legs won't work cause you want me so
You just lie spread to the wall
The love you got is surely
All the love that I would ever need
I'm going to take you by my side
And love you tall,
