[Tom:] "This song's called 'Random Hearts, '"

[Audience member:] "'Random Hearts' or 'Random-'..."

Gimme all the hate you feel.
Binge and purge
All over, cannot change, we're gonna destroy.
Breathe in the sea of seas, we're in this together.

Random hearts that beat for each other,
Random hearts in a cruel, cruel world.

I don't care what they hear
I know the way, say same.
Broken fingers for broken chords.
The effort is indelible,
The frequency is not decay.
We're in this together.

Random hearts that beat for each other,
Random hearts in a cruel, cruel world.

The only world you'll ever know
Is what you see in a movie.
Suburban TV babies,
We share the same accent.
American disillusion.
We're in this together.

Random hearts that beat for each other,
Random hearts in a cruel, cruel world.
