We got the humplik  
The crazy humplik  
We got a humplik  
The glenn tha humplik  
The crazy humplik  
The glenn tha humplik  
The glenn tha humplik  
The glenn tha humplik  
The crazy humplik  
You'll make you run kick  
Enough to make you run with  
checkin out tha  
With the glasses is taking any chances  
And we are competing at a hot  
Full track of real meat but humplik is the fastest  
Oh! Because he pass this  
Microsound to my own groundbreaking humplik  
Give it to the masses, Oh and now we are blasting  
Like a rocking, the think can stop it  
Glenn humplik is the topic  
The glenn humplik is an olympic gymnast  
He is an olympic gymnast  
The glenn humplik is an olympic gymnast  
He is an olympic glenn humplik gymnast

The glenn tha humplik  
The crazy humplik  
Yes tha glenn tha humplik  
The crazy humplik  
Crazy like a humplik  
Hitting like a drum-stick  
Now that are moving we are done with glenn humplik  
Skating enough, then lets go run  
With glenn humplik trough tha house  
People trough tha house  
People got tha checking and moving all above  
When humplik is in the party  
Well the people are moving they're body  
When humplik is in the party  
Well people are going down like scotty  
Oh! When humplik is in the party  
And People will be getting notty

And people will be getting notty
