I'm a good boy.
I'm a good boy.
I'm a good boy.

I'm a good good boy, I'm a good good boy,
look at me, look at me, I'm a good boy.

I'm a nice boy, I do things that are really nice.
That's why they call me a nice boy, I'm a nice boy.

Midnight at the oasis, put your camels to bed,
you don't know places, spaces, moonlight in your
head...

I'm a nice boy, and I like to wear undies.
Undies! Undies! Undies! Undies!

When I wear undies, it's really really funny! Funny!
Funny!
Funny! Funny! Funny. Undies! Undies are funny!
I like to wear undies because they're so funny!
Funny! Undies! Undies! Undies! Undies!

Midnight at the oasis!

Funny undies!
