Is your mind made up
And are you sure
Are you broken-hearted
Like you were before

Have you seen this one
It goes down fast
I can only give you
What I know best

I'm glad to know that
It ain't no use boy
I'm counting all your demons
And I let no one else between us
You should know

Words of longing
And words of pain
It kind a grows on you
Why, I can't explain
So have you seen this one
It goes down fast
I can not rely on
You cause it won't last

Can anybody please
Be on my side?
