"Faithful"

No questions, no demands
I've given all that I can
In these hotels where
I've never been faithful
God knows that I have tried
And I'm still not satisfied
Don't tempt me
Or try to be someone
You are not

You see I'm
Done with the life I've been leading
I will not step aside
Not for anyone slightly familiar
I will not step aside
Not even tonight

Don't try to give a damn
Don't lie 'bout the times you spend
In these hotels where
I've never been faithful
Face forward, don't look back
Get rid of the chills you've had
In these hotels
Where I've never been faithful
Please don't ask
