Yeah, uhuh, la da da da da

Hey, baby my nose is getting big
I noticed it be growing when i been telling them fibs
Now you say your trust's gettin weaker
Probably coz my lies just started gettin deeper
And the reason for my confession is that i learn my
lesson
And i really think you have to know the truth
Because i lied and i cheated and i lied a little more
But after i did it i don't know what i did it for
I admit that i have been a little immature
Fucking with your heart like i was the pre-dit-tor
In my book of lies i was the editor
And the author
I forged my signature
And now i apologise for what i did to ya
Cos what you did to me i did to you

Nononono baby, nononono don't lie
Nononono, yeah you kno kno kno know you gotta try
What you gonna do when it all comes out
When i see you & what you're all about

Nonono babe, nononono don't lie
Yeah you kno kno kno know you gotta try

She said i'm leaving
Cos she can't take the pain
It's hard to continue this love it ain't the same
Can't forget the things that i've done inside her brain
Too many lies committed too many games
She feeling like a fool getting on the last train
Tryin to maintain but the feeling won't change
I'm sorry for the things that i've done and what i
became
Caught up in living my life in the fast lane
Blinded by lights, cameras, you know the fame
I don't know the reason why i did these things

And i lie and i lie [2]

And now our emotions are drained
Cos i lie and i lie and a little lie lie
And now your emotions are drained

Nononono babe, nononono don't lie
Nononono, yeah you kno kno kno know you gotta try
What you gonna do when it all comes out
When i see you & what you're all about

Nonono babe, nononono don't lie
Because you kno kno kno know you gotta try

Ooh ooh ooh ooh, ooh ooh ooh
Ba da ba da ba da ba da badabada

Yo, i'm lying to my girl
Even though i love her
And she's all in my world
I give her all my attention and diamonds & pearls
She's the one who makes me feel on top of the world
Still i lie to my girl, i do it

And i lie and i lie and i lie til there's no turning back
I don't know why,[and i lie and i lie til i don't know who i
am
