Take it back and hurry up
I would trade you in a minute
If I could
Now you know

Take it back and do it fast
I would change it in a minute
If I could
Now you know

And I won't back down
I got to get to you
Even if it's the
Last thing on my mind
I got to get to you
Even if it's
Raining all this time
I am lost, I am found

Take it back and wrap it up
There's no time for me
To tell you we're different
Well now you know

Take it back and there you go
Can you believe that I
Got no one to turn to
Not a god forsaken soul

If it all comes to this
Will you turn back time
If it all comes to this
Will you stick around
