There is one thing I like the most  
You can stay if you like  
We'll see how it goes  
It's the state of the art  
At the hilite hotel

There's one thing I can't forget  
It's the worst part  
It never ends  
It's the state of the art  
At the hilite hotel

I'm running too fast  
Please don't give in  
Please don't give in  
To the left of you  
To the right of you

There is one thing  
We won't talk about  
Is it true what they say?  
You're never around  
It's the state of the art  
At the hilite hotel
