I'm giving in
I'm changing course
And you want love
Yeah love of course
But I don't seem to have
A grip on you at all

Set it up
I will be there
With open eyes &
Eyes will stare
I can't believe that
I am too afraid to look

Because
I am and you are
So scared of who we are
I am and you are
Afraid of what might
Happen if we part

I move to fast
My heart says no
It only stops to say hello
And than I realised
We're in for something more
Set it up
I will be there
A change of heart
Well I don't care
I only think about the
Consequences love

I am useless
I am right
I am useless
