"Love Yourself To Death"

Meet me at your door
It's all or nothing
Like you said before
We're coming down

I treat myself but I'll burn
All for nothing
Know we'll all take turns and
At the end I'll see you on Tuesday

Why? can you wait?
It's not like you're invited
To love yourself to death and
Why? can you wait?
We'll celebrate and
Love yourself to death

Meet me at your door
I am nothing
And you, you wanted me
Let's hang around
I keep it all to myself
That's a promise
I know that it won't help but
At the end I'll see you on Tuesday

You brought it on yourself
You brought it on yourself again
Everybody stays until the end
