"Slow Me"

There are signs and there are warnings
And promises I can not keep
No time to talk it over girl
I won't be satisfied until you sleep

Slow me, slow me down,
Until my feet are glued to the ground
Slow me, slow me down

There are things that I remember
And other words I can't repeat
No time to talk it over girl
You were great today, but you ain't me

I am made out of different bait
I'm ready
I wanna dance and I'm never late
I'm ready
I'll take you home with a different tone
I'm ready
Catch me if you can

I am made out of different bait
I wanna dance and I'm never late
I'm ready
Catch me if you can..
