Atudutu yeah you
Atudutu yeah you and

Let it go stop
I don't know stop
Is it right to
Let you be the other girl and
It's in your mind stop
We're doing fine stop
And I won't stop
I never take it all for granted, oh

The sun in her eyes will do
Atudutu yeah you
The sun in her eyes will
Atudutu yeah you and
The sun in her eyes will do
Atudutu yeah you and
The sun in her eyes will

Let it go stop
I should've known stop
Gotta warn you
It will not change the morning after
It ain't no crime stop
So take your time stop
Like I told you
Never take it all for granted, oh

The sun in her eyes will do
Atudutu yeah you
The sun in her eyes will
Atudutu yeah you and
The sun in her eyes will do
Atudutu yeah you and
The sun in her eyes will

You, you, I found myself because of you
I never saw it coming and,
Sad but true
You, you, and I found myself because of you

I never saw it coming and,
I know it's true

Atudutu yeah you
Atudutu yeah you and
Atudutu yeah you
Atudutu yeah you and

Atudutu yeah you
The sun in her eyes will do
Atudutu yeah you and
The sun in her eyes will
Atudutu yeah you and
The sun in her eyes will do
The sun in her eyes will do
