Only tough guys
Who are over six feet
They're the kind you can't push around

With the rough lives
Eating ten pounds of meat
Body building and musclebound

Like all tigers
When they jump on their pray
They will try to rip you apart

Only fighters
Manage to get away
They're the ones to get a touchdown

It's the right game
Because you are learning how to
Fight pain

So you can reach your overnight fame
And prove everybody
You're a man

When you're down there
And some guy throws you the ball
Then you've got to run for your life

Cause to be where
You are alone against all
You got to be sharp as knife

It's the right game
Because you are learning how to
Fight pain

So you can reach your overnight fame
And prove everybody
You're a man

Football
Is for the real men

Football
The roughest game of all

Football
Is really fun when
Football
You're not afraid to fall

Football
Is for the real men
Football
The toughest game of all

Football
Only appeals when
Football
You got to be on the ball
