Words and music by Willa Dean Parker and Homer Banks

I know the desert can't hold all the love

That I feel in my heart for you, yeah

If I could spread it out across the sea

I know my love would cork it up

Ain't that a lot of love

For one heart to hold

If the bees only knew how sweet you are, Baby

They would seal up their honey comb

If the birds could hear how sweet your voice is

They would tighten up the song

Ain't that a lot of love

For one heart to hold

Your lips are so sweet

Honey, you're my every need

You got a smile so rare

A love like yours I just can't compare

Ain't that a lot of love

For one heart to hold

If the cook in the kitchen had a touch as hot as yours

They wouldn't need a fire

I can't think of a word that describes your love better

Than the sky above

Ain't that a lot of love

For one heart to hold

Yeah

Ain't that a lot of love

Ain't that a lot of love

For one heart to hold

One heart to hold

One heart to hold

One heart to hold

Ain't that a lot of love

Ain't that a lot of love

One heart to hold

One heart to hold

Ain't that a lot of love

Ain't that a lot of love

For one heart to hold

Oh that's a lot of love

Lot of love

Sounds like a lot of love

Sounds like a lot of love

For one heart to hold

For one heart to hold
