When I was young  
I never needed anyone  
And making love was just for fun  
Those days are gone

Living alone  
I think of all the friends I've known  
But when I dial the telephone  
Nobody's home

All by myself, I don't want to be  
All by myself anymore  
All by myself, I don't want to live  
All by myself anymore

Hard to be sure  
Sometimes I feel so insecure  
And love's so distant and obscure  
Remains the cure

All by myself, I don't want to be  
All by myself anymore  
All by myself, I don't want to live  
All by myself anymore

All by myself, I don't want to be  
All by myself anymore  
All by myself, I don't want to live  
All by myself anymore
