Love, love, love
Love, love, love
Love, love, love

There's nothing you can do which can't be done,
There's nothing you can sing that can't be sung,
Nothing you can say
But you can learn to play the game
It's easy

There's nothing you can make that can't be made,
No-one you can save that can't be saved,
Nothing you can do,
Which you can learn how to do in time
It's easy

CHORUS
All you need is love,
All you need is love,
All you need is love, love
Love is all you need

(GUITAR SOLO)

CHORUS

There's nothing you can know that isn't known,
Nothing you can see that isn't shown,
Nowhere you can be
Which isn't where your meant to be
It's easy

CHORUS X2

Love is all you need (keep repeating until end of song)
