Bama Lama, Bama Loo!

Got a gal
Named Lucinda
They call her
The great pretender

Got a gal
Named Lucinda
They call her
The great pretender

Because when she talks,
She says: Bama Lama, Loo!

Well...

Bama Lama, Bama Loo!
Bama Lama, Bama Loo!

The way she smiles
She drives me wild

Bama Lama, Bama Loo!

Well, I asked my little baby for a kiss
She shooked her head around like this

I asked my little baby for a kiss
She shooked her head around like this

She said: all right!

Bama Lama, Bama Loo!
Bama Lama, Bama Loo!

The way she smiles
She drives me wild

Bama Lama, Bama Loo!
