I get oooh, chills & fever
Yeah, chills & fever
Humm, chills & fever
Chills & fever is whatchu give to me

Now when you
Hold my hand
Tell me
That I'm your
Lover man
Squeeze me
And hold me tight
And tell me, babe
You gonna love all night

I get oooh, chills & fever
Woow, chills & fever, baby-awwww
Chills & fever!
Chills & fever is whatchu give to me

Now when it's
Late at night, and
I wanna hold you tight
I tell you
That I love you, so
And I never, ever,
Ever let you go

You gimme oooh, chills & fever
Woow, chills & fever
Awww-babe, chills & fever!
Chills & fever is whatchu give to me
All right gal!

You gotta call me
Any time
But now call runnin'
Wait on, shy
I tell you
That I love you, so
And I never, ever,
Ever let you go

You gimme oooh, chills & fever
Woow, chills & fever
Awww-babe, chills & fever!
Chills & fever is whatchu give to me

You gimme chills & fever, babe
You gimme chills & fever, hunny
