She sits alone waiting for suggestions  
He's so nervous, avoiding all the questions  
His lips are dry, her heart is gently pounding  
Don't you just know exactly what they're thinking?

If you want my body and you think I'm sexy  
Come on sugar let me know  
If you really need me just reach out and touch me  
Come on honey tell me so

(Instrumental)

He's acting shy looking for an answer  
Come on honey let's spend the night together  
Now hold on a minute before we go much further  
Give me a dime so I can phone my mother  
They catch a cab to his high rise apartment  
At last he can tell her exactly what his heart meant

If you want my body and you think I'm sexy  
Come on honey tell me so  
If you really need me just reach out and touch me  
Come on honey let me know

(Instrumental)

His heart's beating like a drum  
'cause at last he's got this girl home  
Relax baby, now we are all alone

If you want my body and you think I'm sexy  
Come on honey tell me so  
If you really need me just reach out and touch me  
Come on honey let me know
