Fly me to the moon
And let me play among the stars
Let me see what spring's like
On a-Jupiter and Mars

In other words, hold my hand
In other words, darlin', kiss me

Fill my heart with song
And let me sing for ever more
You are all I long for
All I worship and adore

In other words, please, be true
In other words, darlin', I love you

Fly me to the moon
And let me play among the stars
Let me see what spring's like

On a-Jupiter and Mars

In other words, hold my hand
Please, in other words
Darlin', kiss me

You got to fill my heart with song
And let me sing for ever more
You are all I long for
All I worship and adore

In other words, please, be true
In other words, in other words
Oh, baby, in other words
Baby, I love you, yeah!
