Last night, quietly, she walked through my mind
As I lay searching for sleep
Her soft hand reached out, she whispered my name
As she brushed a tear from my cheek

And then those funny, familiar, forgotten feelings
Started walkin' all over my mind

It's sad, so sad to watch love go bad
But a true love would not have gone wrong
I'm just thankful for the good times we've had
For without them, I could not go on

With all those funny, familiar, forgotten feelings
Walkin' all over my mind

I must go on, be strong
Though a millions of teardrops may fall

Before those funny, familiar, forgotten feelings
Stop walkin' all over my mind
Before those funny, familiar, forgotten feelings
Stop walkin' all over my mind
