Give me one reason to stay here
And I'll turn right back around
Give me one reason to stay here
And I'll turn right back around

Because I don't want leave you lonely
But you got to make me change my mind

Baby, I got your number
And I know that you got mine
But you know that I called you
I called too many times
You can call me, baby
You can call me anytime
But you got to call me

Give me one reason to stay here
And I'll turn right back around
Give me one reason to stay here
And I'll turn right back around

Because I don't want leave you lonely
But you got to make me change my mind

I don't want no one to squeeze me
They might take away my life
I don't want no one to squeeze me
They might take away my life

I just want someone to hold me

And then... Rock me through the night

Now, your youthful heart can love me
and give you what I need
This youthful heart can love me
And give me exactly what I need
Because, you see, I'm too old
To go chasing you around
Wasting my precious energy

Give me one reason to stay here

And I'll turn right back around
Give me one reason to stay here
And I'll turn right back around

Because I don't want leave you lonely
But you got to make me change my mind

Now, Give me just one reason
Give me just one reason why
I should stay

Give me just one reason, just one reason why

Because I told you that I loved you
And there ain't no more to say
