You've got to give a little, take a little
And let your poor heart break a little
That's the story of
That's the glory of love

You've got to laugh a little, cry a little
Until the clouds roll by a little
That's the story of
That's the glory of love

As long as there's the two of us
We've got the world and its charms
And when the world is through with us
Oh, we've got each other's arms

You've got to win a little, lose a little
Yes and always have the blues a little
That's the story of
That's the glory of love

As long as there's just the two of us
Oh, we've got the world and its charms
And when the world is through with us
We've got each other's arms

You've got to win a little, lose a little
Yes and always have the blues a little
That's the story of
That's the glory of love

Oh, that's the story of
That's the glory of love
