fightin' fire with fire

Watch out you might get what youre after  
cool babies strange but not a stranger  
i'm an ordinary guy  
burning down the house

hold tight wait till the party's over  
hold tight we're in for nasty weather  
there has got to be a way  
burning down the house

here's your ticket pack your back: time for jumpin'  
overboard  
the transportations here  
close enough but not too far, maybe you know where  
you are  
fightin' fire with fire

all wet hey you might need a raincoat  
shakedown dreams walking in broad daylight  
three hun-dred six-ty five de-grees  
burning down the house

it was once upon a place sometimes i listen to myself  
gonne come in first place  
people on their way to work baby what did you expect  
gonna burst into flame

fightin' fire with fire  
fightin' fire with fire  
burning down the house

my house s'out of the ordinary  
that's right don't want to hurt nobody  
something sure can sweep me off my feet  
burning down the house

Watch out you might get what youre after  
cool babies strange but not a stranger  
i'm an ordinary guy

burning down the house  
three hundred sixty five degrees  
burning down the house

fightin' fire with fire  
fightin' fire with fire  
gonna burst into flame  
fightin' fire with fire  
fightin' fire with fire  
fightin' fire with fire  
gonna burst into flame  
burning down the house  
my house  
burning down the house

no visible means of support and you have not seen  
nothing yet  
everything's stuck together  
i don't know what you expect staring into your tv set  
fighting fire with fire

burning
