Put your sweet lips a little closer to the phone  
Let's pretend that we're together all alone  
I'll tell the man to turn the juke box way down low  
And you can tell your friend there with you he'll have to  
go

Whisper to me tell me do you love me true  
Or is he holding you the way I do  
Tell me shall I hang up or will you tell him he'll have to  
go

Shall I say the words you want to hear  
While you're with another man  
If you want me answer yes or no  
Oh, I will understand

Put your sweet lips a little closer to the phone  
Let's pretend that we're together all alone  
I'll tell the man to tune the juke box way down low  
And you can tell your friend there with you he'll have to  
go

Yes, you can tell your friend there with you he'll have to  
go  
He'll have to go
