Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You are made, you are made to go out and get her
The minute you let her under your skin
Then you begin to make it better

Anytime you feel the pain, hey Jude, refrain
Don't carry the world upon your shoulder
For when you know that it's a fool who plays it cool
By making the world a little bit colder

Hey Jude, don't let me down
You found her, why don't you go out and get her?
Remember to let her into your heart
Then you can start to make it better

So let it out and let it in, hey Jude, begin
You waited for someone to perform with
And don't you know that it's just you? You do
Hey Jude, the movement you need is right on your
shoulder, oh

Hey Jude, don't make it bad
Take a sad song and make it better
Just remember to let her under your skin
And you'll begin to make it feel a lot better

Oh, oh, baby, why don't you run out and get that little
girl?
Please, you know that's what you wanted all the time
Baby, baby, baby, baby, baby, baby, baby, baby, baby,
baby, baby
Jude, Jude, Jude, Jude, Jude, Jude, Jude, Jude
Oh, oh, I'm on my knees, I'm begging you please, oh,
hey Jude
