I Get Carried Away - Tom Jones 1968

I get carried away with your kisses  
Carried away by your touch  
I get carried away 'cos I love you so much

This has never happened before  
The moment you walked through that door  
Baby what you're doing to me  
But keep it up eternally.

'Cos I get carried away with your kisses  
Carried away by your touch  
I get carried away 'cos I love you so much

Yes I get carried away with your kisses  
Carried away by your touch  
I get carried away 'cos I love you so much

Woh, I beg you not to lead me on  
Unless your love is true  
Don't take advantage of me  
It's not the way it should be  
I'm hopelessly in love with you

Tell me you know the way that you feel  
I've got to know your love is real  
Baby tell me your love is true  
I need to hear the words from you

'Cos I get carried away with your kisses  
Carried away by your touch  
I get carried away 'cos I love you so much  
'Cos I get carried away with your kisses  
Carried away by your touch  
I get carried away 'cos I love you so much  
Uh!Yes! Oww!  
I get carried away with your kisses  
Carried away by your touch  
I get carried away 'cos I love you so much
