Down a dangerous road  
I have come to where I'm standing  
With a heavy heart  
And my hat clutched in my hand

Such a foolish man  
God ain't known no greater sinner  
I have come in search of Jesus  
Hoping he will understand

I had a woman once  
She was kind and she was gentle  
Had a child by me  
Who grew up to be a man

I had a steady job  
'Til I started into drinking  
Started playing music  
Traveling with the devil's band

Oh, the years flew by  
Like a mighty rush of eagles  
My dreams and plans  
Were all scattered in the wind

It's a lonesome life  
When you lose the ones you live for  
If I make my peace with Jesus  
Will He take me back again?

If I give my soul  
Will He stop my hands from shaking?  
If I give my soul  
Will my son love me again?

If I give my soul  
And she knows I really mean it  
If I give my soul to Jesus  
Will she take me back again?

If I give my soul  
Will he clean these clothes I'm wearin'?

If I give my soul  
Will he put new boots on my feet?

If I bow my head  
And beg God for His forgiveness  
Will He breathe new breath within me  
And bring her back to me?
